

2 meter long garden-bed (Fig. 1)

Equipment:

1. Side panels –2pcs
2. Face end panels –2pcs
3. Leg № 1 –2pcs
4. Leg № 2 –2pcs
5. Screw M5x16-16pcs
6. M5 nut - 16pcs
7. Washer –16pcs

Fig.1

Garden-bed assembly:

1. Take the side panel and screw the leg 2 on the right with screws (as in Fig. 2), screw the leg 1 on the left (as in Fig. 3).

Do the same actions with the second side panel.

Fig.2

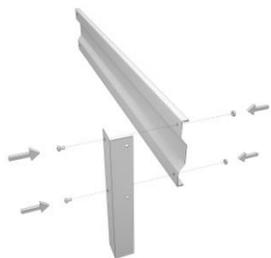

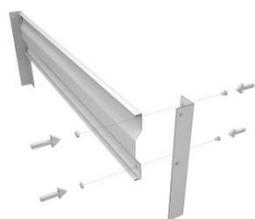

Fig.3

2. Next, screw the face end panel to the side panel (as in Fig. 4), and then screw the second face end panel to the same side panel (as in Fig. 5)

Fig. 4

Fig. 5

3. Then connect the remaining side panel with the resulting structure (as in Fig. 6). The garden-bed is ready (as in Fig. 7), set in the ground.

Fig. 6

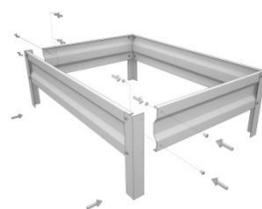

Fig. 7

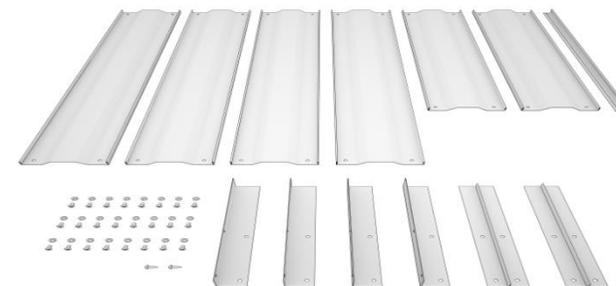

A garden-bed 3 to 4 meters long (Fig. 8)

Equipment:

1. Side panels –4pcs
2. Face end panels –2pcs
3. Leg № 1 –2pcs
4. Leg № 2 –2pcs
5. T-shaped connector - 2pcs
6. Screed - 1 pc.
7. Screw M5x16-24pcs
8. Nut M5 - 24pcs
9. Washer –24pcs
10. The self-tapping screw 4,2x16 - 2 pieces

Fig.8

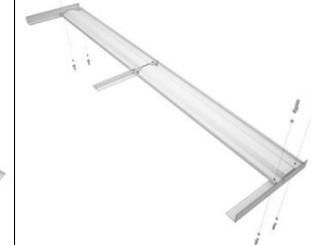

Garden-bed assembly:

1. Take two side panels and connect them with screws using a T-shaped profile (as in Fig. 9), we do the same with the two remaining side panels.
2. Take the resulting side panel and screw the leg 2 on the right, screw the leg 1 on the left (as in Fig. 10). Do the same actions with the second side panel..

Fig. 9

Fig. 10

3. Next, screw the face end panel to the side panel, and then screw the second face end panel to the same side panel (as in Fig. 11).

4. Then connect the remaining side panel with the resulting structure (as in Fig. 12).

Fig. 11

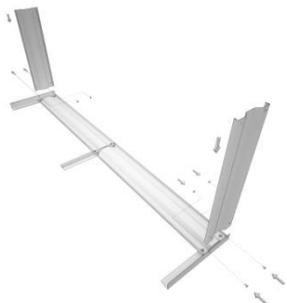

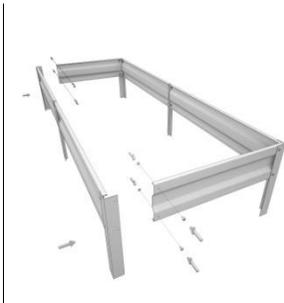

Fig. 12

5. Next to the resulting structure at the junction of the side panels fasten the screed with screws (as in Fig. 13)
6. The garden-bed is ready (as in Fig. 14), set in the ground.

Fig. 13

Fig. 14

A garden-bed more than 4 meters long is assembled similarly to a 3-4 meter garden-bed.

Warranty:

Warranty on the assembly of the structure - 1 year from the date of purchase. The life of the product is from 5 years.

Warranty obligations are valid only if the requirements of the operating conditions written in the instructions are observed.

The manufacturer is responsible for product quality in accordance with the Civil Code of the Russian Federation. The company reserves the right to make changes to the design of the beds, not Deteriorating her consumer qualities.

Metal garden-bed

Galvanized and polymer coated
